

# Raya Divers Newsletter

So... the umbrellas have been stowed back in the closet and the high season has arrived along with the sun! Dive conditions are excellent and activities are in full swing. Here's some news about the start of the season!

### ADD SOME LUXURY TO YOUR DIVE TRIPS

Our new dive vessel starts operating in December and is unlike any other boat you'll see out there. It's been carefully designed by Raya Divers to exceed the expectations of even the most demanding customers! Our 26-meter long vessel is equipped with a large dive deck, comfortable airconditioned lounge, and a sun deck that will be the delight of every sun-worshipper. Step aboard and enjoy!

### UPDATE YOUR ADDRESS BOOK

Our wetsuits were exchanged for overalls momentarily when we were building our new offices in Krabi and Koh Lanta. We managed to move & renovate everything on schedule and both offices are now open. The Krabi office is located just 800 meters from Ao Nang's main beach and stopping by is easier than ever. In Koh Lanta, we are now located in the center of Saladan with our own private pier and an office partly on top of the water! Easy, isn't it?

### RAYA DIVERS NEW LOOK

Some of you have probably noticed that Raya Divers has recently had a little "facial" and has a fresh new look! Our new logo was designed by Marko Pasanen and we are very happy with the result. Stylish t-shirts have been printed featuring the new logo - We recommend that you add some new fashion to your wardrobe on your next holiday!

### SAMI RECOMMENDS!

Our Koh Lanta manager Sami Vayrynen has been staying in Thailand for a few years already. It's understandable that Sami, our famous gourmet food lover, occasionally needs a change from delicious Thai cuisine. The tastiest ribs of Koh Lanta are served in Tavern Restaurant and you should head to Catfish for the best western-style breakfast.
