

### COMPACT CONSOLE VIP2

- Compact, easy to read
- Ideal for traveling
- Pressure gauge
- Depth gauge

Part No.	Detail	THB
X28.042.100	Compact Console VIP2	6,685

### COMPACT CONSOLE 3

- An all-in-one console
- Pressure gauge 0-400 bar
- Depth gauge 70m N2 filled
- FS-1 compass

Part No.	Detail	THB
X28.058.100	Compact Console 3	10,365

### COMPACT CONSOLE 3 (incl. FS-2 Compass)

- An all-in-one console
- Pressure gauge 0-400 bar
- Depth gauge 70m N2 filled

Part No.	Detail	THB
XB28.058.200	Compact Console 3	11,065

### COMPACT PRESSURE GAUGE

- Brass housing
- Zero to 400 bar
- Red zone between 0 - 50 bar
- 10 bar increments

Part No.	Detail	THB
X28.039.300	Compact Pressure Gauge	3,410

### CONSOLE MAKO

FS-2 provides a unique tilt angle of at least up to 35 degrees, making it easier to read & operate in most any position. With a floating magnet separate from the compass rose, the FS-2 has a greater angle of operating freedom than conventional compasses.

Part No.	Detail	THB
X28.052.200	Console Mako	7,915

### CONSOLE MAKO

- FS-1 Compass
- Pressure Gauge

Part No.	Detail	THB
X28.052.100	Console Mako	7,215

### COMPACT NORTH FS-2

FS-2 provides a unique tilt angle of at least up to 35 degrees, making it easier to read & operate in most any position. With a floating magnet separate from the compass rose, the FS-2 has a greater angle of operating freedom than conventional compasses & this means you can use the same compass for both Northern & Southern hemispheres, so perfect for travelling divers.

Part No.	Detail	THB
X05.017.101	Compass North FS-2	3,115

### COMPACT NORTH FS-2 W. RETRACTOR MOUNT

FS-2 provides a unique tilt angle of at least up to 35 degrees, making it easier to read & operate in most any position. With a floating magnet separate from the compass rose, the FS-2 has a greater angle of operating freedom than conventional compasses. & this means you can use the same compass for both Northern & Southern hemispheres, so perfect for travelling divers.

Part No.	Detail	THB
X05.017.121	FS-2 w. Retractor Mount & Retractor	4,400

**CB-THREE IN LINE**

- SK-7 compass
- Depth gauge 70 meter
- Pressure gauge 300 bar

Part No.	Detail	THB
FSS00525522C	CB-Three in line	9,100

**CB-TWO IN LINE**

- Depth gauge 70 meter
- Pressure gauge 300 bar

Part No.	Detail	THB
FSS005249220	CB-Two in line	6,850

**CB-ONE**

- SM-36 pressure gauge 300 bar
- Console housing & hose

Part No.	Detail	THB
FSS005240200	CB-One	4,520

**CB-71 / STD**

- SK7 compass
- Attachment for cobra & console

Part No.	Detail	THB
FSS00551700C	CB-71 / STD	2,630

**SK-6 WRIST COMPASS**

- Featuring a dial face, side reading window & a bezel ring with luminous display

Part No.	Detail	THB
FSS00630300C	SK-6	1,840

**SK-7 WRIST COMPASS**

- Exceptional tilt potential of + / - 30°
- Easy to read graphics
- Wide console window & firm grip bezel ring with ratchet

Part No.	Detail	THB
FSS00630700C	SK-7	2,630

**PRESSURE GAUGE**

Pressure gauge 300 bar with hose

Part No.	Detail	THB
